We will acknowledge a complaint within **3 working days** and give you the name and contact details of the person investigating it.

We will keep you informed about the progress of the investigation. **We aim to have all complaints finished within 28 working days** unless we agree a different time scale with you.

When we have finished investigating, we will arrange to meet with you to discuss the outcome, and write to you with:

- Details of the findings

- Our proposals to resolve your complaint

Time Limits

You should complain as soon as you can after the date on which the event occurred or came to your notice. If you complain more than twelve months later, we may not be able to investigate properly. We ask that you give us as much notice as possible if you wish to cancel your visit or if you are going to be away from home. You may cancel booked individual Support Worker visits by giving at least 24 hours' notice to Jo Kerley.

Cancellations, where less than 24 hours' notice is given, including booked Support Worker visits made where you are unexpectedly not present, or refuse entry, will be charged at the normal rate for the full booked visit.

Terminating Your Contract with Inspiring Aspirations Plus Ltd T/A Inspiring Support

You can cancel the service at any time (and for any reason) within 14 days' of the date of this Agreement (the "Cancellation Period").

A Service User may, at any time and for any reason, give Inspiring Aspirations Plus Ltd T/A Inspiring Support at least 14 days written notice to terminate their individual service contract. If you give less than 14 days' notice, we reserve the right to charge a cancellation fee or a service suspension fee.

Please note, if you suspend the service for a period of time in accordance with the above paragraph, we cannot guarantee that the same Support Worker will attend your home when you resume the service.

Time Sheets

It is the responsibility of each member of staff to ensure their timesheets are fully completed and signed at the end of each assignment by the Service User.

Call Times

Call times are primarily set according to the Service User's wishes. Obviously, it is not always possible to achieve the exact requirements from day one, and sometimes a compromise is reached. You will always be advised of any changes and your approval will be sought before any change.

Punctuality is a high priority and is monitored very actively. Our aim is to arrive on time, all the time. Our policy is that, should a member of staff know that they will be more than 15 minutes late arriving, then the office or our out of hours manager will be notified and the Service User informed immediately.

Part 3: Key Policies and Procedures

Gender Choice

You have the right to choose the sex of the person sent to support you with personal care. This is because of the personal nature of the service. We will record your choice when we talk to you as part of your service planning.

Handling Money

When Support Workers make financial transactions on your behalf for things like collecting pensions, shopping or paying bills, they will enter the details on the financial record sheet kept in your home. They will keep the receipt for shopping and count the change out to you. Support Workers should not be given cash cards or PIN numbers to obtain money from a bank on your behalf. Only financial arrangements that have been formally agreed and written in the Care Plan can be carried out for you.

Please contact the Manager about any needs you have that are not being met, or if you are unsure whether they are being met.

Gifts, Wills and Other Documents

Inspiring Aspirations Plus Ltd T/A Inspiring Support aims to make sure that you receive a care service of the highest possible standard. To make sure our staff always work professionally and to protect you and our staff from any allegation of financial abuse:

- Support Workers are not allowed to accept gifts of money or other presents
- Support Workers are not allowed to accept loans
- Support Workers must not buy lottery tickets or sell you raffle tickets
- Support Workers must not sell to you from mail order catalogues
- Support Workers must not ask for sponsorship or for donations for charitable organisations or good causes
- Support Workers are not allowed to act as a witness to legal documents and Wills
- Support Workers are not allowed to benefit from Wills
- Support Workers are not allowed to recommend tradesmen or a member of their family or friends to carry out work in your home

Keys and Key Safes

Support Workers do not usually hold the house keys of people they visit. However, if there is a reason why this needs to be done, it must be formally recorded in advance as described in The Management of Keys and Key Safe Security Policy and Procedure at Inspiring Aspirations Plus Ltd T/A Inspiring Support.

Support Workers will be given the key safe combination numbers of the people they visit. The policy arrangements of Inspiring Aspirations Plus Ltd T/A Inspiring Support ensure that these numbers are kept securely and are never written down with the address.

Medication and Healthcare-Related Activities

Support Workers will administer medication but only when it has been agreed and written in the Care Plan. Both prescription and 'over the counter' remedies must be agreed beforehand so that it can be checked as to whether the medicines will have any 'side effects' if taken at the same time.

Support Workers receive training in the administration of medication, and we have several medication policies at Inspiring Aspirations Plus Ltd T/A Inspiring Support. Some health-related activities when agreed, need to be carried out under the supervision of a health care professional and staff will be only able to perform them when they have the correct training, are fully supervised and assessed as being competent to meet your health-related needs safely. Jo Kerley will need to give approval before any support is provided.

Support Workers are not allowed to administer medication from family filled medication dispensers and no assistance can be provided that has not been formally agreed with the Manager and detailed in the Care Plan.

Your Support Worker will record any medication administered on a Medication Administration Record each time they provide any medication administration support.

Infection Control

Support Workers are supplied with plastic aprons and gloves which they will wear when they carry out personal care duties. Support Workers need to wear protective clothing to prevent the spread of infection. Support Workers are also expected to wash their hands on entering and before leaving your home. Please contact the office if your Support Worker does not do this.

Smoke-Free Law

Legislation states that a private dwelling is not defined as smoke-free unless used as a place of work. At certain points in the day, your home becomes a place of work for our care/support staff. For the health and safety of our staff, we ask you and anyone else present in your home, to refrain from smoking and ventilate any room that will be used for your care for at least one hour before the agreed time.

If you smoke while your Support Worker is with you, the Support Worker will be obliged to leave your home for the duration of your smoking and shall not be permitted to re-enter your home until 1 hour after you last smoked. Any additional requirements or any variation to this clause will be specified in your Care Plan.

Protecting You from Abuse and Harm

Inspiring Aspirations Plus Ltd T/A Inspiring Support is committed to ensuring that you will be protected from harm and abuse and enabled to live as independently as possible in a safe environment.

Support Workers receive regular training on how people should be treated, and they are trained to recognise if someone is being bullied, physically abused or suffering financial, emotional and psychological harm. Person(s) such as informal carers, relatives, friends and members of the Home Care Staff or other professionals can commit abuse.

Abuse can take form in subtle ways like Support Workers calling people pet names that they don't like or speaking to someone else in a language they don't understand so that they do not know if they are being discussed or not or Support Workers using their mobile phone whilst they are providing care or speaking over the head of a Service User to another Support Worker.

Any reports of abuse or concerns of abuse must be reported to Jo Kerley without fail. If you think you are being abused or are concerned you might be you can speak to Jo Kerley.

If you do not think you can speak to Jo Kerley, you can contact: Suffolk County Council

Your Telephone

Your telephone will not be used by Support Workers except for the following reasons:

- You or they have a medical emergency. We will not be responsible for payment of your telephone bill
- To make a Freephone telephone call to (Insert name of Electronic Call Monitoring Provider's Name) upon arrival and departure of your home and this will be discussed with you at the start of your service

Withdrawal of Service

Where termination of the contract is the only reasonable option after consideration, Inspiring Aspirations Plus Ltd T/A Inspiring Support will ensure a reasonable notice period of at least 28 days, unless safety issues require a swifter departure from the service.

Although the Jo Kerley will take all possible measures to resolve problems, there are some reasons why the consideration of withdrawal of service must be made as follows:

- Physical violence towards staff
- Serious verbal abuse towards staff which includes swearing, making derogatory remarks that are racist or sexist and that are meant to cause offence to staff
- Refusing to adhere or co-operate with the risk control measures put in place under the Management of Health and Safety at Work Regulations 1999 and thus putting themselves and staff at risk
- Withdrawal of service will be considered when there are risks present to the health and safety of the staff that are unacceptable and where no control measures can be found

Other reasons that Inspiring Aspirations Plus Ltd T/A Inspiring Support will consider the withdrawal of the service is the continual pressure on staff to perform duties that are not part of the agreed Care Plan and the continual undermining of staff 'one to another' or threats of physical violence.

If you have failed to meet your financial commitments to Inspiring Aspirations Plus Ltd T/A Inspiring Support, this will also be a situation where withdrawal of the service is considered.
