## 3. Objectives

**3.1** To provide clarity and a signpost to support staff as they navigate through the quality and quality assurance systems within Inspiring Aspirations Plus Ltd T/A Inspiring Support.

**3.2** Inspiring Aspirations Plus Ltd T/A Inspiring Support has a culture of continuous improvement and ensuring that high levels of quality and safety are met. Inspiring Aspirations Plus Ltd T/A Inspiring Support believes that its values and behaviours are the foundations of a quality service.

## 4. Policy

### 4.1 Inspiring Aspirations Plus Ltd T/A Inspiring Support Defines a Quality Service as:

- | The provision of care and support to Service Users and their families which is in accordance with the individual wishes of the Service Users, whilst fully supporting their human rights, and the principles of the Mental Capacity Act 2005
- | Delivering a management style, policies and day-to-day practices that promote open communication, a culture of problem resolution rather than blame, and the involvement of all stakeholders
- | Nurturing a culture that is supportive of continuous improvement that is maintained by way of regular audit and review of standards of performance across the service, followed by open discussion about strengths and weaknesses, with action-planning to resolve weaknesses

### 4.2 The key processes which must be followed in order to provide a quality service at Inspiring Aspirations Plus Ltd T/A Inspiring Support are identified as follows:

#### Admission

- | Processes are in place to identify the physical, psychological and social needs of the Service User prior to admission
- | Processes match the Service User to Inspiring Aspirations Plus Ltd T/A Inspiring Support which ensures that the needs of the Service User can be met by the services that Inspiring Aspirations Plus Ltd T/A Inspiring Support is able to offer
- | Processes on admission are in place to ensure that the previously identified requirements of the Service User are made known to all staff who will be concerned with the Support of the Service User

#### Care Planning

- | Processes are in place to ensure that care and support for each Service User are informed by a Care Plan which records sufficient, current information to provide an individualised and planned service to each Service User
- | Processes ensure that the Care Plan supports the regular review of Service Users' needs and services, revision of the plan of care, communication of those changes to all persons concerned with the Support of the Service User, review of the effect of the changes, followed by further review
- | Individually named members of staff are identified as primarily responsible for the coordination and review of Service Users' Support

#### Discharge

- | Processes on discharge to other care facilities ensure that Service Users who are transferring are accompanied by sufficient information in order to minimise the disruption caused by the move and to help the receiving organisation to begin providing quality care services as soon as possible
- | Processes for discharge on death are to ensure that the family and friends of the Service User and the staff who knew the Service User are sensitively supported through their grieving process

#### Human Resources

- | Processes identify the number and skill level of staff that are required to deliver quality services to the specified number of Service Users
- | Processes within recruitment identify skill specification and are driven by values-based recruitment
- | Processes are in place to ensure that applicable staff adhere to their professional codes of conduct and registration requirements
- | Processes inform staff about the management framework within which they work, the standards of performance required of them, and the opportunities for development which are open to them
- | Processes support the personal development of staff through induction and throughout their employment with Inspiring Aspirations Plus Ltd T/A Inspiring Support, ensuring that the needs of Inspiring Aspirations Plus Ltd T/A Inspiring Support and the skills of staff are regularly reviewed and matched via a development programme
- | Processes ensure that staff are managed in accordance with best practice, regulation, and legislation

#### Administration

## Inspiring Aspirations Plus Ltd T/A Inspiring Support

- | Processes ensure the financial stability of Inspiring Aspirations Plus Ltd T/A Inspiring Support
- | Processes identify and accurately record all transactions between Inspiring Aspirations Plus Ltd T/A Inspiring Support, the Service User and the Service User's representatives
- | Processes ensure the compliance of Inspiring Aspirations Plus Ltd T/A Inspiring Support with its statutory responsibilities
- | Communication processes ensure that all staff are fully informed and therefore accountable when carrying out their duties
- | A simple suggestions, compliments and complaints process enables Service Users ' involvement that influences continuous improvement
- | Processes to control the quality of goods and services brought into Inspiring Aspirations Plus Ltd T/A Inspiring Support
- | Processes to inform Inspiring Aspirations Plus Ltd T/A Inspiring Support, its staff and Service Users of the legal, financial and administrative framework
- | Processes to check that all audit and review processes are carried out as specified, that action planning takes place, that planned actions are carried through, and that the effects of planned action are fed back into the management process

**Ancillary services, where required**

- | Processes to ensure that Service Users' individual and collective requirements for food are established
- | Processes to ensure that Service Users' clothing is adequately cared for
- | Processes to enable Service Users to maintain their normal life patterns, and their normal connections with their communities
- | Processes to ensure that the environment is clean and safe and that Service Users can influence its design, functions and features

**5. Procedure**

**5.1** Quality will be assured by the existence of, and adherence to, the relevant policies and procedures within the management system.

**5.2 Governance**

Inspiring Aspirations Plus Ltd T/A Inspiring Support will use governance to ensure the delivery of a consistently high standard of care and support to Service Users

In relation to governance, Inspiring Aspirations Plus Ltd T/A Inspiring Support will:

- | Ensure that everyone understands what the service is supposed to do
- | Ensure that everyone understands their role in delivering the service
- | Monitor all policies and procedures and how these are implemented
- | Review policies and procedures on a regular basis to identify where improvements can be made
- | Conduct internal audits
- | Share information and encourage staff members to raise any issues
- | Allow for Continuing Professional Development (CPD), staff training and development
- | Allow for (and encourage) Service Users' suggestions

**5.3 Auditing**

- | The purpose of auditing is to verify the implementation of stated and documented policies, procedures and standards. Audit reports will identify the action required to achieve compliance
- | Employees will be involved in the audit process, and results will be reported to them
- | Specific communication strategies will be implemented to support the audit and the carrying out of remedial action and improvements, such as Quality Meetings, Team Meetings, Staff Meetings and Management Meetings

## 6. Definitions

### 6.1 Quality Assurance

- Quality assurance is a self-explanatory term which refers to the quality of a particular product or a particular service that has been provided by one individual or a company

### 6.2 Policy

- A policy is a deliberate system of principles to guide decisions and achieve rational outcomes. A policy is a statement of intent, and is implemented as a procedure or protocol

## Key Facts - Professionals

Professionals providing this service should be aware of the following:

- Professionals have a duty to review their quality assurance systems to ensure that they remain fit for purpose, are current and reflective of national best practice recommendations and changing legislation and regulation. Quality changes all the time
- Quality is always determined and led by Service Users, their relatives, advocates, and related professionals
- All staff must adhere to total commitment to quality and improvement in every aspect of their work
- The purpose of having policies, procedures and guidelines in place is to detail how quality delivery of service is to be achieved

## Key Facts - People affected by the service

People affected by this service should be aware of the following:

- Inspiring Aspirations Plus Ltd T/A Inspiring Support is fully committed to providing the highest possible quality of service to you
- Inspiring Aspirations Plus Ltd T/A Inspiring Support provides evidence-based care and continually monitors services to ensure they provide the highest quality of care and best value
- Inspiring Aspirations Plus Ltd T/A Inspiring Support obtains feedback from others who are involved with its services to ensure that they remain fit for purpose and reflect your needs and wishes
